

The background of the cover is a photograph of a multi-story building with a light-colored, possibly stucco, facade. The building shows signs of wear, with some peeling paint and exposed brickwork around the windows. A complex network of metal scaffolding is erected against the right side of the building, extending from the ground up to the roofline. The sky is a clear, bright blue. A large teal rectangle is positioned in the upper left corner, containing the title and logo. In the bottom right corner, there is a white rounded rectangle containing the year and edition information.

Reference Section

All the reference information is in one section, making it easy to find what you need to know . . . and easy to use the data set on a daily basis. This section is visually identified by a vertical black bar on the page edges.

In this Reference Section we've included information on Equipment Rental Costs, Crew Listings, Travel Costs, Reference Tables, Life Cycle Costing, and a listing of Abbreviations.

Table of Contents
