

The background of the entire cover is a close-up photograph of various plumbing components. It shows copper pipes, black PEX pipes, and silver metal fittings. A red-handled valve is visible in the upper right, and a yellow-handled valve is in the center. The pipes are set against a light-colored, textured wooden surface, likely oriented strand board (OSB).

# Reference Section

All the reference information is in one section, making it easy to find what you need to know and easy to use the data set on a daily basis. This section is visually identified by a vertical black bar on the page edges.

In this Reference Section, we've included Equipment Rental Costs, a listing of rental and operating costs; Crew Listings, a full listing of all crews and equipment, and their costs; Historical Cost Indexes for cost comparisons over time; City Cost Indexes and Location Factors for adjusting costs to the region you are in; Reference Tables, where you will find explanations, estimating information and procedures, and technical data; Change Orders, information on pricing changes to contract documents; and an explanation of all the Abbreviations in the data set.
